Aeris 153T

Corded telephone and cordless analogue handset (DECT)

Corded base telephone and cordless handset
Original design
Easy operation
Caller number identification
Backlit display (handset only)
Baby Call

Aeris 153T, **the elegant combo-phone**

This new telephone generation from Swissvoice comes in an original design and combines a wired base telephone with a cordless handset. The rounded forms and elegant display make the Aeris 153T an ergonomic and user-friendly telephone. The attractive appearance of the base telephone underscores the sophisticated sleekness of the handset. With the navigation key and a wide range of important basic functions, the Aeris 153T ticks all the boxes for users who appreciate attractive design and ease of operation.
